

Garage/Yard Sales

To address the problem of people turning residential neighborhoods into commercial zones by holding perpetual “yard” or “garage” sales, Lakewood requires a no-cost permit (limited to four per year) for garage/yard/estate/other sales, available at City Hall.

Posting of signs:

- **May only be displayed on days of sale.**
- **One free-standing, on-site sign is allowed.**
- **Maximum of four off-site, directional signs.**
—must be free standing (A-frame, T-frame, or picket).
- **CANNOT be posted on utility poles, traffic control signs and devices, or traffic islands.**
- **Must Not obstruct pedestrians or traffic visibility or cause a safety hazard.**
- **If on private property, must have property owner’s or occupant’s permission.**
- **No balloons or streamers on off-site signs.**
