

# VEGETATION

**Lakewood regulates uncontrolled vegetation.**

**Common violations:**

- **Weeds, brambles, berry vines, or other vegetation overgrowing structures**
- **Weeds, brambles, berry vines, or other vegetation that is more than an average height of 15 inches**
- **Vegetation that obstructs vision or interferes with safety for pedestrians or traffic.**

**Maintained properties:**

- **Deter theft and vandalism**
- **Increase property values**
- **Attract good neighbors**

If you have questions or concerns regarding Lakewood's Vegetation Regulations, please contact the Community Safety Resource Team at 253.589.2489.
