**Data Note:** Population Reporting Two or More Races includes unique counts of the population who reported at least two races. Population Reporting Race in Any Combination counts people who reported multiple races in each race group. For example, a person reporting "White" and "Black" is added to each group here. The Population Reporting Race Alone or in Any Combination is the sum of the Population Reporting One Race and the Population Reporting Race in Any Combination. The sum is greater than the Total Population. Percents are calculated using Total Population as the base. Detail may not sum to totals due to rounding.
