Procurement Technical Assistance Center

PTAC

The mission of the PTAC's is to maximize the number of capable companies participating in the government marketplace by:

- providing businesses with an understanding of the requirements of government contracting and the marketing know-how needed to obtain and successfully perform on federal, state, and local government contracts, and
- supporting government agencies in reaching and working with the suppliers they need

Procurement Technical Assistance Center

PTAC

The Procurement Technical Assistance Center (PTAC), is funded in part through a cooperative agreement from the Department of Defense (DOD) through a program that is administered by the Defense Logistics Agency (DLA). The content of any written materials or verbal communication of the PTAC does not necessarily reflect the official views of or imply endorsement by DOD or DLA.
