

CHARRETTE PROGRAM

MOTOR AVENUE URBAN DESIGN VISIONING

What is a Charrette?

A charrette is an intensive design and planning session where citizens, designers and others work collaboratively on a vision for development through fun and engaging design workshop activities. The design team provides design and implementation strategy while community members provide their local knowledge, vision, and passion for their community. The charrette is a multi-day workshop. Community members can participate as much or as little as they like in any or all of the charrette activities.

LOCATION: All charrette activities will be at Little Church on the Praire, 6310 Motor Ave SW, Lakewood, unless otherwise noted.
