The South Sound Military & Communities Partnership (SSMCP), in collaboration with Joint Base Lewis-McChord (JBLM), distributed a survey to over 40,000 active duty personnel and civilian employees at the installation in October 2013. The 2013-2014 study updated the original Needs & Preferences Survey conducted in 2011-2012. The findings are being used to strengthen local communities’ ties with the South Sound military presence and to bolster the levels of service provided to service members.
