**SHARED LEAVE**
If an employee exhausts all paid leave because of medical reasons, they may be eligible to receive donated paid time off leave from other employees.

**MILITARY LEAVE**
Employees who are members of any federal military reserve unit or the Washington National Guard will receive up to twenty-one working days of paid leave during each year beginning October 1 and ending September 30, while engaged in active training duty or active duty.

The City will maintain continuity of health benefits to employees’ families when employees are ordered to involuntary active military duty. Military differential pay is available during active military duty of more than 30 days and for no longer than 24 months.

**JURY DUTY LEAVE**
Employees will be paid their regular compensation while serving on jury duty provided they forfeit the juror’s daily stipend to the City.

**RETIREMENT PLAN**
Employees and the City make contributions to an International City Management Association - Retirement Corporation (ICMA-RC) 401A plan. The employee contributes 5.08% and the City contributes 7.62% of the employee’s salary. The employee chooses how contributions are invested. Investment choices range from conservative (low risk) to aggressive (high risk) opportunities. The 401A plan has a 20% per year vesting schedule. Prior service credit in Washington State Department of Retirement Systems plans will be credited towards the vesting schedule.

Under Social Security’s Government Pension Offset, any Social Security spouse’s or widow’s or widower’s benefits you may be entitled to will be reduced based on any pension you receive from the City’s retirement plan.

**SOCIAL SECURITY REPLACEMENT**
In lieu of Social Security, the City provides an alternative plan through the ICMA Retirement Corporation. The employee contributes 6.20% and the City contributes 4.77% of the employee’s salary. The employee’s investment choices range from conservative (low risk) to aggressive (high risk) opportunities. Employees are immediately 100% vested in the plan.

Under Social Security’s Windfall Elimination Provision, any Social Security retirement or disability benefits you may be entitled to will be reduced based on any pension you receive from this replacement plan.

**VOLUNTARY 457 DEFERRED COMPENSATION PLAN**
Participation in a 457 deferred compensation plan is available to employees through payroll deduction. This is an optional investment program offered through the ICMA Retirement Corporation or Washington Department of Retirement Systems. The City matches an employee’s contribution up to 3% of the employee’s base monthly pay rate. Investment choices are similar to 401A options.
VOLUNTARY FLEXIBLE SPENDING ACCOUNT
The Flexible Spending Account (IRS Section 125) is an optional tax savings program which is offered to employees annually. It allows employees to reduce taxable income by using part of their salary on a pretax basis to pay for one or more of the following qualified benefits: medical and dental insurance premiums, out of pocket expenses for health care, and dependent care costs.

MEDICAL INSURANCE*
Three medical plans are offered to employees and dependents through the Association of Washington Cities (AWC): the Regence HealthFirst plan, the Regence High Deductible Health Plan (with health savings account), and Group Health Cooperative of Puget Sound $10 Copay plan. For employees working 35 or more hours per week, the City pays 90% of the premium, and the employee pays 10%. Premiums are pro-rated based on FTE status for part-time employees. Full-time employees may be eligible to opt out of medical insurance coverage to receive $3,000 annually (pro-rated each pay period). Part-time employees may be eligible to opt out to receive an equivalent pro-rated amount.

EMPLOYEE ASSISTANCE PROGRAM*
The Employee Assistance Program (EAP) is paid for by the City, and is a voluntary, confidential resource available to Regence and Group Health insured employees, dependents and household members. The EAP provides professional counseling assistance in addressing a variety of concerns ranging from substance abuse to relationship issues.

VISION INSURANCE*
The Vision Service Plan (VSP) provides for annual eye examinations for employees and dependents. A $25 deductible benefit is provided for lenses, frames and contact lenses.

DENTAL INSURANCE*
Washington Dental Service (WDS) Plan E insurance is provided through AWC. The City pays the entire premium cost for full-time employees and their dependents. Premiums for part-time employees and dependents are pro-rated based on FTE status. This is an incentive based plan - 70% to 100% of Class I and Class II benefits (routine exams, basic cleaning, x-rays, fillings, etc.) are covered. Class III benefits (crowns, inlays and onlays) are paid at 50%. The plan pays a maximum of $2,000 per individual annually for covered benefits. A separate orthodontia plan provides a one time orthodontia benefit of $1,000 for eligible children.

LIFE & LONG TERM DISABILITY INSURANCE
The City provides the following insurance coverage for employees through Standard Insurance (a copy of each plan certificate will be provided during orientation):

SURVIVOR INCOME LIFE INSURANCE
A monthly survivor income benefit is paid to an employee’s eligible spouse and children upon the employee’s death. Prior to any reduction for Social Security survivor’s benefits, a benefit amount equal to 30% of the employee’s insured earnings is paid to the spouse or children, and 60% is paid if both spouse and children survive.

BASIC LIFE INSURANCE/ACCIDENTAL DEATH & DISMEMBERMENT
A benefit equal to the employee’s annual salary rounded up to the next thousand to a maximum of $100,000.

*Health insurance premiums for part-time employees are pro-rated based on FTE status.
LONG TERM DISABILITY (LTD)
Effective after 90 days of continuous disability. The maximum amount of the LTD benefit is 60% of earnings or $5,000 per month, whichever is less.

VOLUNTARY SUPPLEMENTAL LIFE INSURANCE
Employees may elect to apply for $30,000 to $300,000 in supplemental term life insurance coverage. Spouses may be insured for an amount up to 50% of the employee’s coverage. Premiums are paid entirely by the employee.

VOLUNTARY SHORT TERM DISABILITY (STD)
Short term disability insurance provides benefit payments to help replace lost income when an employee is disabled due to a non-occupational accident or illness. Pregnancy or its complications are covered provided enrollment in STD insurance is prior to conception. Benefits are payable for a maximum of 13 weeks. This benefit is offered to employees at the time of hire and annually thereafter.

ADDITIONAL VOLUNTARY INSURANCE PLANS
Additional insurance plans are available to employees through AFLAC, such as accident/disability, cancer, STD, dental and hospital intensive care.
