One of Lakewood’s greatest assets is its parks and recreation system. Now, thanks to the City of Lakewood and concerned citizens, the community has a road map for that system’s future.

Earlier this year, the Lakewood City Council adopted the community’s first Legacy Plan - a blueprint intended to meet the community’s parks and recreation needs the next 20 years.

The plan is the culmination of three years of collaboration between the City, park and recreation enthusiasts, service clubs and others who want to sustain a healthy parks and recreation system for Lakewood.

“Our goal is to create a healthy and vibrant community,” said Mary Dodsworth, the City’s Parks, Recreation and Community Services Director. “Writing this plan was truly a community effort, and many participants were involved in its development. By engaging in a comprehensive public input process, the City was able to interact with residents and build trust, create partnerships and educate citizens about the importance of a sustainable parks and recreation system.”

The Legacy Plan will serve as the City of Lakewood’s master plan for parks and recreation. It is a living document, responsive to the changing needs of the community. It will serve as our guide in building a strong parks and recreation system long into the future.

City Council Bids Farewell to Raider Brigade at Inactivation, Welcomes Lancers

For nearly a decade, the City of Lakewood and 4th Stryker Bridge Combat Team, 2nd Infantry Division practiced what Joint Base Lewis-McChord leaders envisioned when they established the base’s Community Connector Program.

The City welcomed “Raider Brigade” soldiers and their families with open arms. When the 4-2 lost a member, Lakewood mourned. In 2013, the City threw a massive “Welcome Home” parade for the Raiders in front of Lakewood City Hall that featured some 2,000 soldiers, the brigade’s vehicles and a sea of thankful residents.

When the Army announced the inactivation of the brigade last year, it marked the end of Lakewood’s relationship with the 4-2. In March, several Lakewood City Council members attended the official inactivation ceremony for the 4-2 at JBLM, including Deputy Mayor Jason Whalen, Councilmember Marie Barth, Councilmember Mary Moss and Councilmember John Simpson.

“This is a good day,” said Simpson, who as a journalist actually embedded twice with the Brigade while overseas. “This is a day that marked a good chapter in Lakewood’s history ... I’m glad to see its (the 4-2’s) history has ended well.”

In April, Mayor Don Anderson and the rest of the Lakewood City Council recognized the 4-2 for its efforts, as well as welcomed its new Community Connector, 2nd Brigade, 2nd Infantry Division (Stryker Brigade Combat Team), otherwise known as the Lancer Brigade.

The City Council also proclaimed April 12, 2014 as “Jermaine Kearse Day” in the City of Lakewood.

**A little bit about myself:** I am a Parks Maintenance Worker II and just celebrated my 8-year anniversary with the City. I’m assigned to the team managing street landscaping, which includes all of the landscape and maintenance needs of Lakewood City Hall, Police Department and Sounder Station.

**A little bit more about myself:** I am a proud Washingtonian of 39 years, growing up in Federal Way. I attended Washington State University on a full-ride golf scholarship and still play to a single digit handicap.

**Why I love my job:** I love my job because it allows me to be outdoors every day and work around some great people, including the Parks Team.

**Favorite Spot to Vacation:** My favorite place to vacation is the beautiful beaches of Maui and, more specifically, Big Beach on Maui. I love to snorkel and body surf when I am there.

**Favorite Hobbies:** I do play a lot of golf. You can mostly find me hitting the links at The Home Course with the women’s group and playing in various tournaments when time allows. I also have a boat, so if I’m not swinging the club on a bright sunny day, you can catch me out cruising and crabbing.

**My life outside of City Hall:** I live in University Place with my 5-year-old son who keeps me running all the time. My partner and I spend most weekends being busy and living life to the fullest.

Mary Dodsworth - Parks, Recreation & Community Services Director for the City of Lakewood - was recognized with the Honor Fellow Award at the Washington Recreation & Parks Association (WRPA) annual conference in April in Seattle. This award is the highest recognition bestowed by the state professional organization to an individual. It recognizes her dedication and achievement in her field over a minimum of 10 years. Mary has been recognized in the past with the Young Professional award in 1991, the Citation of Merit award in 2008 and served as the president of WRPA in 2008-09.

**Badger Assists Oso Mudslide Recovery Effort**

Lakewood’s Christine Badger was deployed to the Oso/SR 530 mudslide in Snohomish County to assist in the regionwide recovery effort in late March.

Christine has worked for West Pierce Fire & Rescue since 2011, as part of a cooperative emergency management program between West Pierce Fire & Rescue and the City of Lakewood.

Prior to her arrival at West Pierce Fire & Rescue, Christine had many years of experience in Snohomish County, working for both the County and the City of Arlington. She was specifically asked to help with this event because she was the incident commander for the 2006 slide in the same area.

“We feel fortunate to have Christine’s expertise here in our community,” Lakewood City Manager John Caulfield said, “and we are very glad she is able to provide assistance to the recovery efforts in Oso.”
A future elementary school will honor the memory of the four Lakewood Police Officers who lost their lives serving the community they loved.

In March, the Clover Park School Board of Directors selected the names of three schools under construction.

The name of one of them - a school that was part of a construction bond that voters approved in 2010 and will consolidate two other elementary schools - will commemorate the memories of Lakewood Police Sgt. Mark Renninger, Officer Tina Griswold, Officer Ronald Owens and Officer Greg Richards.

The future school’s name: Four Heroes Elementary.

It’s a fitting name to describe the four officers. In a crime that the Lakewood community will never forget, Renninger, Griswold, Owens and Richards were murdered in 2009 by a gunman who was later killed by authorities.

In the years since their deaths, the Lakewood community has produced numerous remembrances and tributes for the Fallen Four, everywhere from Lakewood City Hall to the coffee shop where they died. The future school -located next to the Lakewood Police Department - is another example of how the four officers will never be forgotten.

Four Heroes Elementary is scheduled to open by September 2015. The Clover Park School District plans to recognize the name when it officially opens.

2013 Indicates Lakewood Becoming Safer

Judging whether a community is safer from year to year isn’t an exact science.

But if trends and numbers mean anything, then the City of Lakewood is becoming safer, thanks in large part to the work of its Police Department.

In March, the Police Department presented its 2013 year-end report to the Lakewood City Council. The report covered plenty – everything from the number of incidents to the number of uses of force by officers to the number of times the department received awards and praise.

Assistant Chief Mike Zaro told the City Council that determining whether Lakewood is a safer community compared to years past can be subjective. However, the number of Priority One calls for service has dropped to its lowest level since 2008, and the violent crime rate has dropped to its second-lowest mark since 2005.
Did You Know:
Standard & Poor’s (S&P) Rating Service recently awarded the City of Lakewood a two-step increase on its general obligation bond rating, from “AA-” to “A.”
The bond-rating agency cited Lakewood’s dedicated fund balances, positive cash balances and strong debt profile as reasons for the upgrade.

One of the Lakewood City Council’s priorities is improving the community’s public infrastructure, especially when it comes to streets and sidewalks.

Over the next six years, the City has identified almost 40 street and sidewalk improvement projects for Lakewood - everything from pavement preservation to sidewalk improvements.

This year, more than $11 million worth of City and grant-funded street and sidewalk projects are planned or under construction. They will make Lakewood a better, safer place to get around, whether you’re behind the wheel of a car, peddling a bicycle, jogging or walking on two feet. Projects planned or under construction in 2014 include:

- Bridgeport Way, 83rd to 75th Street West
- Madigan Access Improvements
- South Tacoma Way, SR 512 to 96th Street SW

For a detailed list of projects, visit the City of Lakewood’s website at cityoflakewood.us

Future Street, Sidewalk Improvements Proposed Throughout Lakewood
Eyesores in Your Neighborhood?

Email the City

Ever drive by a building near your child’s school and spot graffiti? Ever find a turned-over shopping cart while walking your dog through the neighborhood?

The City of Lakewood knows it happens, based in large part on what it has heard from residents. Now, Lakewood Police and Community Safety Resource Team are giving residents an immediate, easy way to inform the City about these eyesores.

People can now simply send an e-mail whenever they spot graffiti and junk or an abandoned shopping cart in their neighborhood.

**Here’s how it works:**

- If residents spot graffiti, junk, etc., in the public right-of-way of their neighborhood, they can e-mail eyesore@cityoflakewood.us. Please include the location.
- If residents spot rogue shopping carts in their neighborhood, they can e-mail shoppingcarts@cityoflakewood.us. Please include the location of the carts, as well as to which store they belong, i.e., “Target cart off Main Street and Gravelly Lake Drive.”

And that’s it! The e-mail will go directly to the CSRT – which is designed to solve problems that are unique to each neighborhood district in Lakewood. The CSRT will then work to address the problem cited in the e-mail as soon as possible.

The City of Lakewood will soon embark on a “community visioning” program. Community visioning is a process in which all local stakeholders have the opportunity to express ideas about the future of their community, offer a valuable voice in decision-making and influence the future of Lakewood. The visioning program begins in May 2014. If you would like to participate or want more information, please contact principal planner Dan Catron at 253-983-7730, or e-mail Dan at dcatron@cityoflakewood.us.

**National Night Out is August 5 in Lakewood**

Mark those calendars, Lakewood. It’s time once again for National Night Out.

NNO is an annual event designed to strengthen our communities by encouraging neighborhoods to engage in stronger relationships with each other and with their local law enforcement partners. The goal is to heighten crime-prevention awareness, build support and participation in local anti-crime programs, and most importantly, send a message that our neighborhoods are organized and fighting back. It’s also the perfect opportunity to get to know your neighbors even better.

This year’s event is Tuesday, Aug. 5. To register or for more information, contact Mike Miller at MMiller@cityoflakewood.us. You may also request a representative from the City to visit your site.
Lakewood on Comcast ‘Neighborhoods’

Comcast customers have the chance to learn all about Lakewood. All it takes is a few pushes of a button on their remote.

The community is being featured on Comcast’s On Demand show, “Neighborhoods,” which spent a day filming in Lakewood in March. Hosted by television personality Sabrina Register, the show brings viewers into communities, large and small, throughout Puget Sound. The show features a range of people - from mayors to business owners to community leaders.

The Lakewood segment features people who live in, work in and simply love the community.

Comcast will feature Lakewood on “Neighborhoods” via On Demand through the summer. After that, the segment will be posted on the show’s website, as well as its YouTube channel.

CR Coachworks: Modern Take on the Classic Corvette

Classic Reflections Coachworks’ clientele spans across the United States. Customers are willing wait months to pay for one of Coachworks’ six-figure overhauls.

CRC is as niche as businesses come. The company specializes in Corvettes - specifically melding together the performance of a modern ‘Vette with the look of classic models.

The process, according to Chief Engineer Doug Graf, involves putting a custom-made, carbon-fiber body of a 1958, 1962 or 1967 Corvette - three of the most sought-after classic models - and combining it with the drive train of a modern Corvette supplied by the customer.

Graf says the first time he took one of his specialized Corvettes to a car show, he received more than 40 orders from car buffs who wanted one. Even today, working out of their shop in the Lakewood industrial park, the crew is plenty busy keeping up with orders. For more information, visit crcoachworks.com.
The City is celebrating Mother’s Day early by recognizing two of Lakewood’s founding mothers: Claudia Thomas and Andie Geron.

On May 5, at 7 p.m., the Lakewood City Council will present them with a proclamation to honor their amazing work and dedication to the City of Lakewood.

These two women have been the driving force behind placing the needs of children and families at the top of the City’s agenda since 1996. Their collective accomplishments include:

- Served as leaders on the City Council
- Orchestrated the development of the City’s funding for human services
- Established Lakewood’s Promise (Winning America’s Promise 100 Best Communities For Young People six times)
- Co-chaired Lakewood’s Community Collaboration.

It is with a great debt of gratitude we say….. THANK YOU!

Lakewood Farmers Market Back For Third Year

The City of Lakewood’s Parks, Recreation, and Community Services Department is proud to announce the third season of the Lakewood Farmers Market!

Partnering for the second year with our presenting sponsor St. Clare Hospital, this season is guaranteed to be the best one yet! It will feature live entertainment provided by WSECU, theme days, cooking demos and much more. We welcome Pierce County Planning & Land Services, as well as the Port of Tacoma as new partners for our 2014 Season.

The Market begins on Tuesday, June 3 and will be held at Lakewood City Hall - 6000 Main Street SW - on Tuesdays, through September 16. Running from 10 a.m. to 3 p.m. each Tuesday, market attendees will have an additional hour to shop in the morning this year. The City is excited to bring in a larger variety of vendors for this 16-week market and looks forward to another successful season.

For more information regarding the market schedule, special events or to become a vendor, call 253-983-7887 or visit lakewoodparksandrec.com.

Ready for a summer full of exciting adventures, amazing arts & crafts projects and unbelievable games and much, much more? Each week our campers will enjoy a different theme that will shape the activities, games and crafts for the week. Come one day or come every day! Free lunches will be provided to campers Monday-Friday by St. Leo’ Food Connection. There is only room for 60 kids each day, pre-registration is recommended.

**Week 1:** Summer Dayz • June 23 - 27
Kick-off your summer on the right foot as we enjoy the first days of summer.

**Week 2:** Hero Week • June 30 - July 3 (4 days only)
NO CAMP ON JULY 4 • Celebrate our local heroes: Firemen, Policemen, Soldiers and everyone who helps to keep us safe.

**Week 3:** Just Dance • July 7 - 11
Bust out your favorite moves or learn new ones! This week is a chance to do your very own “Dancing with the Stars”.

**Week 4:** Arts and Food • July 14 - 18
This interesting combination of the arts & food will combine two very different subjects in a fun and exciting manner. Some of the art may end up being eaten as food!

**Week 5:** Weird Science • July 21 - 25
Why is the sky blue? How does gravity keep us on the ground? Why does soda geyser into the air when mentos are added to it? We’ll experiment with some of these questions to find out how & why things work the way they do.

**Week 6:** All Stars • July 28 - Aug. 1
Find the sport that is perfect for you! This week is the opportunity to try an old sport or a new one. Everyone is different and sometimes it’s hard to find a sport that you like. Basketball, tennis, baseball, track, and other sports will be played during this active week.

**Week 7:** The Great Outdoors • August 4 - 8
Learn how to make s’mores, and more importantly, how to eat them. Learn some basic outdoor skills and how to make the most of what Mother Nature gives us. You’ll learn some local plant identification, how to purify water and what to do if you ever get lost in the woods.

**Week 8:** Soak Up the Sun • August 11 - 15
This is a time to enjoy the sun, relax at the end of the summer and to find fun new ways to keep cool during the dog days of summer. Our mini-spray park will be on-site for daily use.

**A La Carte Field Trips**
Our summer camp is jammed packed and full of fun, but you can add a little extra excitement by adding a field trip to your day at camp. Extra fees apply and pre-registration is required. **Must be registered for that day of camp.**

**MOVIE DAY:** $6/each Tuesday
Each Tuesday, campers can go to see a movie on the “Big Screen.” Movie choices will vary based on availability. Movie Day trips will leave at 9am sharp and return by 12:30pm - lunch will be provided at camp.

**FIELD TRIPS:**
Each Thursday, unless otherwise noted, your camper can partake in a fun field trip based on that week’s theme. Each child will have a blast and learn fun new facts. Prices, departure times and lunch availability vary. See staff for details.

Track & Field
This fun, low-cost program is designed to provide your child a healthy activity that requires only a good attitude, the clothes on their back & the shoes on their feet. Our first goal is to improve their fitness levels and to help them gauge their success by personal improvement. Proper technique in running, jumping and throwing events will transfer to other sports. Moms & Dads can walk the track while we work with your children. Come out and join the fun!

Session A: Mondays, June 30 - Aug 4
Location: Harry Lang Stadium
Time: 6 - 7:30pm
Cost: $25 + Tax = $27.33
Ages: Kindergarten - 6th Grade

Lifeguard Program
Lifeguards will be on duty at Harry Todd Park and American Lake Park beginning the 4th of July and will conclude the summer swim season on Labor Day, September 1st. They will be on duty from noon until 7:30pm everyday unless weather conditions dictate otherwise. All lifeguards are certified with both their lifeguard and water safety instructor certification. They are there for your safety and require your cooperation for a safe swimming environment. Please remember that lifeguards are not a substitute for parental supervision.

Nisqually Wildlife Refuge
The refuge is returning to its’ naturally state with the removal of the man-made dike system that was installed to provide farm & grazing land. There is a multitude of wildlife including ospreys, eagles, seals, otters and migratory birds. The new trail is level and much shorter than the old trail with lots of photo opportunities. This is an opportunity to view local wildlife at a leisurely pace. This is a great hike for children.

Session A: Saturday, July 26
Location: Depart/return to Lakewood City Hall
Time: 10am - 2pm
Cost: $20 + Tax = $21.88
Ages: 7 & Older (children under 14 must be accompanied by a parent or guardian)
Plummer Peak Climb
Have you ever wanted to stand on the top of a mountain? Plummer Peak offers a unique opportunity to summit a non-technical peak in the Tatoosh Range. The range consists of a dozen peaks along the southern border of Mount Rainier National Park. Topping out at 6,370 feet, Plummer Peak has great views of Mt. Hood, Mt. Adams and Mt. St. Helens to the south and Mt. Rainier to the north on a clear day. We have spotted mountain goats on nearby peaks in past years. Bring a day-pack for your lunch & water and don’t forget a camera. The program fee includes: transportation to and from Mount Rainier and all entrance fees to the park.

Session A: Saturday, August 9
Location: Depart/return to Lakewood City Hall
Time: 8:30am - 4:30pm
Cost: $30 + Tax = $32.82
Ages: 14 & Older

Paradise, Mount Rainier National Park
Have you ever wanted to go to Paradise? This day trip to Mount Rainier National Park is your opportunity to explore the alpine meadows surrounding Paradise and to stop by the Visitor’s Center. There are a number of trails to explore with plenty of wildflowers and wildlife to see. Marmots may be out eating the flowers off the mountain lupines, while chipmunks will be scurrying about. This is also the starting point for many climbers on their attempt to summit Mount Rainier. Bring a sack lunch, plenty of water and a camera for this great trip. The program fee includes: transportation to and from Mount Rainier and all entrance fees to the park.

Session A: Saturday, August 16
Location: Depart/return to Lakewood City Hall
Time: 8am - 6pm
Cost: $30 + Tax = $32.82
Ages: 14 & Older

Lakewood Community Garden
The Lakewood Community Garden is entering the third year of operation. Our gardeners have done a fantastic job growing a wide assortment of fruits & vegetables in their raised beds. Over 1,200 pounds of produce grown in the gardens were donated to the FISH food bank by the Clover Parks Kiwanis Club. Other gardeners also donated a portion of their harvest to the food bank. If you like to get your hands dirty, enjoy fresh air and watch your vegetables grow, a garden plot is in your future. Plots are 4’ x 8’ and are available for only $20/year. Please call (253-983-7887) or visit us online at www.lakewoodparksandrec.com for more information.

Registration is now open to all gardeners.

**How to Register**

**Recreation is for everyone!**

Everyone in the Lakewood community will have the opportunity to equally participate in, benefit from and enjoy parks and recreation programs and facilities. We are dedicated to enriching the lives of all people participating in Lakewood Parks, Recreation and Community Services programs. If you are interested in a class or program, but hesitate to register because of a developmental or physical limitation, please contact the Parks, Recreation and Community Services Department at (253) 983-7887 or by e-mail at parks@cityoflakewood.us for assistance. Reasonable accommodations for special needs require a minimum of three weeks notice in advance of the program start date. Participants needing individual assistance in programs, including toileting, transferring, eating, dressing or behavior intervention, must bring an attendant/companion to the program.

**Registration**

Most programs have a minimum and a maximum enrollment to ensure a quality experience for all participants. Please register at least five (5) business days in advance (payment must be received at the time of registration.) Programs may be cancelled (or combined) if minimum enrollments are not met at least five (5) business days prior to the start date of a program.

**Gender Equity Statement**

The City of Lakewood does not discriminate against any person on the basis of gender in the operation, conduct or administration of community athletic programs or sports facilities.

Any citizen who feels he/she has been the victim of discriminatory treatment in violation of this policy should report the concern to Parks, Recreation and Community Services Department staff at (253) 983-7887.

**Inclement Weather**

Lakewood Parks, Recreation and Community Services will follow the Clover Park School District's Weather Advisory. If the school district is closed, all recreation programs will be cancelled. If children have already arrived, parents will be notified to pick up their children immediately. If school opening is delayed, programs will operate as normally scheduled, unless special circumstances exist. Please call (253) 983-7887 or (253)798-4090 for the Lakewood Senior Activity Center for up-to-date program information. Inclement weather can also affect park use and trail conditions. Please use caution when visiting parks and trails during poor weather.

**Refunds**

A $10 administrative fee will be charged on all refund requests. Refund requests must be made in writing at least one week before the start date of a program, and sent to the Parks, Recreation and Community Services Department by mail, fax or e-mail. Refund requests will not be accepted beyond one week prior to the start of a program. Full refunds will be issued if we cancel a program due to insufficient registration. No refunds will be issued once an activity has begun. All refunds will be made in the form of a check. Trip/tour refund requests must be made 15 days in advance of the scheduled trip/tour date. No reservation refunds are granted due to poor weather conditions.
