Walk a Mile in her shoes is a fundraising event that provides SACPC with the financial support needed to provide agency services to the community.

**ADVOCACY** – A 24/7 crisis, information and referral line.

**THERAPY** – Masters Level therapists providing individual, couples & family therapy.

**EDUCATION** – Prevention through school programs and state accredited training for staff and also available to community professionals.

Everyone knows someone who has been affected by sexual assault and abuse. More than 1/3 of Washington State women have been sexually assaulted during their lifetime.
