

New! SummerFEST Trail Runs

5k Race, 10k Race, & 1 Mile Children's Run

When: July 9, 2016

Where: Fort Steilacoom Park, 8714 87th Ave SW,
Lakewood, WA 98498

Fort Steilacoom Park is an urban park in Lakewood with hundreds of trails crisscrossing through open fields, lakes, forests and grasslands. The courses are fast with not a lot of climb, and feature a great variety of trails, terrain, and vegetation.

We offer 1 mile kids, 5K, and 10K options. There will be plenty of aid stations and the courses are well marked with signs at intersections. The courses start and finish at the main Ft. Steilacoom Shelter.

For you history buffs out there, Fort Steilacoom was constructed in 1849 and played a significant role in the settling of Washington Territory. This park features a state-of-the-art playground, an amazing off-leash dog park, many picnic shelters, and a small lake with a paved walking path encircling its shoreline. It is a great place to invite the whole family if you're so inclined!

This event is sanctioned by [USA Track & Field](#).
